Dear Sir / Madam,

Sub.: Change in market timings due to Sun Outage – NSE Capital Market Segment

Ref.: NSE Circular No.: NSE/CMO/040/2008 dated September 02, 2008

We refer to the above referred circular dated September 02, 2008 wherein Indian Space Research Organization (ISRO) has informed NSE that there would be SUN OUTAGE from September 24, 2008 to October 08, 2008 between 11:25 hrs to 12:05 hours, due to which trading members may face loss of connectivity during this period.

Accordingly, the market timings of the Exchange are being modified as follows for all markets i.e. Normal / RDM/ Limited Physical Market:

Market Open	: 09:55 hours
Market will remain close	: 11:25 hours to 12:05 hours
Pre-open period (only for Normal Market)	: 12:05 hours to 12:10 hours
Market re-open	: 12:10 hours
Market close	: 16:15 hours
Closing Session start	: 16:35 hours
Closing Session end	: 16:45 hours
Auction Market Open	: 13:00 hours

Members are informed that during this period viz. 11:25 hours to 12:05 hours:

1. Trading shall remain suspended.
2. Members are advised to remain logged on and NOT log off from the Trader Work Station during this period.

During pre-open phase in the Normal Market, members will not be permitted to place any new orders or modify existing orders, but however, will be allowed to cancel any of the existing orders. Pre-open phase will not be available for RDM/ Limited Physical Market segments.

The change in market timings shall be effective from September 24, 2008 to October 08, 2008

In case of any further clarifications you may contact the undersigned or your Relationship Managers

Yours faithfully,
For ISE SECURITIES & SERVICES LTD
